Prices Subject to Change Without Notice

I HAVE again the pleasure of presenting to you my catalogue for the coming season, and hope you will be induced by the extremely low prices to favor me with your orders which shall have my careful and prompt attention.

All my seeds have been selected with the utmost care and attention, therefore I am sure of their superior quality. No complaint can be entertained unless made on receipt of the goods and invoice, and no warranty or guaranty is given either as to description, quality, productiveness or any other matter of any seeds I send you, nor will I be responsible for the quality or value of the crops produced therefrom. Nevertheless I will certainly pay attention to any founded complaint, but a restitution of any article can never exceed the amount charged for in the invoice.

Being able and ready to meet all respectable competition, I would be glad to be informed if you are offered any article lower than these prices, and in such cases, I will if possible, give you other quotations.

A new and adequate Parcels Post law now applies to shipments of seeds, bulbs, tools, plants and garden supplies to all of the United States; Packages are subject to a limit of maximum weight in the first and second zones of 50 lbs.; and in all other zones, third to eighth, of 20 lbs. The maximum size of a package is 72 inches for combined length and largest girth. Insurance will be effected only when asked for and remitted for as follows: Parcels to the value of \$25.00 or under for 5 cents; to the value of \$25.00 to \$50.00 for 10 cents. Postage must be remitted in addition to the price of seed.

References as to quality of seeds sold by me: any of the leading market gardeners in the vicinity.

Respectfully,

O. MACHHOLZ.

WHAT FELINE USERS SAY:

The Feline Tying Machine paid for itself in 2 weeks.—*Leon Fries.*

We would not be without a Feline for love nor money.—*C. Tesch.*

We have used the Feline for the past year and would never be without one.—*Griebler & Sons.*

Before we had the Feline it took till 9-10 o'clock at night to do our tying, now, we are done at 2 or 3 o'clock in the afternoon. — *C. Bensing.*

We tie everything to be tied on our Feline, also Greenhouse radishes, which we tie in less than one-half the time it takes by hand.
